Springfield, IL 62794-9245

June 8, 2007

The Berwyn Police Department conducted an intensive "Click-It or Ticket" campaign from May 1<sup>st</sup>, 2007 through June 3<sup>rd</sup>, 2007. This enforcement and education campaign was designed to remind drivers and passengers of the need for seat belt usage.

**During this campaign, 2169 citations were issued to drivers and/or front seat passengers of motor vehicles who were observed not wearing seat belts.**

The seat belt missions were conducted at various locations throughout the City of Berwyn and at varying times.

During the period of non-grant enforcement, 66 officers participated; 16 officers participated during the 2 week grant funded period.

It has been proven time and time again: Seat belts save lives! The men and women of the Berwyn Police Department again proved their dedication to their community by their tireless efforts during this campaign. They are to be commended.

Should any additional information be required, please feel free to contact me at 708-795-2100.

William R. Kushner  
Chief of Police
